Playground Matting

The purpose of the video call was to discuss the two additional quotes that Cllr. M Olsson had now obtained from contractors for replacement matting in both Corris and Corris Uchaf playgrounds which was urgently required. (referenced in Minutes 06.11.25 126f).

Cllr. M Olsson had prepared a comparison document which detailed the costs and work each contractor was prepared to do and this had been forwarded to the Councillors prior to the meeting. Playquest were the most competitive in price and could undertake the work within the next few weeks whereas the other contractors had a longer wait and were more costly.

Cllr. J Taylor stated that she had looked into Playquest and although a relatively new company, it had very good reviews. Clerk advising she had experience of Playquest and the work was of a very good standard and the company had been easy to work with.

Cllr. M Olsson was asked to find out

- what guarantee period Playquest offered
- would Playquest be removing the wooden edges to existing matting and disposing of,
- if the Council needed to “prep” the areas prior to the matting being laid
- what aftercare was required to keep the matting in good condition.

RESOLVED: Unanimous agreement that the work should be undertaken by Playquest as soon as possible. Cllr. M Olsson to liaise directly with Carl of Playquest. Nb. Cllr. E Jones despite not being able to attend the meeting had reviewed the comparison document and advised that she felt Playquest was the contractor to use.
